

A group of five business professionals are seated around a long wooden conference table in a bright, modern office. A woman with curly hair, wearing a white blouse, is the central focus, looking towards the others as if speaking. The room has large windows in the background, letting in natural light. On the table, there are laptops, water glasses, and a coffee cup. The overall atmosphere is professional and collaborative.

# ABOUT OUR HR BOOTCAMPS

Our Human Resources Bootcamps are designed to give Human Resources practitioners the core skills necessary to manage a strategically aligned Human Resources function. By focusing on equipping Human Resources professionals with strategic competencies, the HR Bootcamps provide an opportunity to fast track learning required to manage the HR function in a manner that quickly produces bottom line results.

Through practical case studies and interactive sessions, the HR Bootcamp is an opportunity to gain insight into contemporary HR issues as taught by experienced HR professionals.

Our HR Bootcamps are designed to equip HR professionals and individuals and teams with the competencies required to succeed at any stage of their career.

We provide you with 3 things that are key to your success;

**Best practices:** Using the best in class curriculum based on tested and accredited frameworks and bodies of knowledge. All our programmes are accredited by Society of Human Resources Management (SHRM) USA.

**Peer group:** Learn and grow with like minded professionals who share a similar vision to advancing their careers

**Community:** Increase your network and join a vibrant community of professionals who can help propel your career more quickly than if you were to do it alone.
